PCHS PLEDGE OF SUCCESS

TODAY IS A NEW DAY, A NEW BEGINNING.
IT HAS BEEN GIVEN TO ME AS A NEW GIFT.
I CAN EITHER USE IT OR THROW IT AWAY.
WHAT I DO TODAY WILL AFFECT ME TOMORROW.
I CANNOT BLAME ANYONE BUT MYSELF,
IF I DO NOT SUCCEED.
I PROMISE TO USE THIS DAY TO THE FULLEST
BY GIVING MY BEST,
REALIZING IT CAN NEVER COME BACH AGAIN.
THIS IS MY LIFE AND I CHOOSE
TO MAHE IT A SUCCESS.

ACADEMICS

FOOTBALL

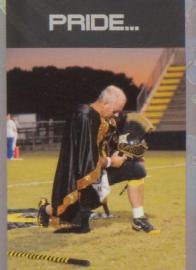

Peach County students stepped back into routine as they began one of the most memorable journeys of their lives; with Fall excitement as students anticipated the moment they had been waiting for ... the new school year. What exactly was in store for the 2010-2011 school year? It was now time to the complete the plots of the stories that began over the summer, as buzz of the new technology and new academies whizzed in the air. Nothing could hold the Trojans back; with the right attitude and a great imagination possibilities were endless, as students took a giant step into the 21st Century. We are stepping into the future with our feet firmly planted, so watch as we blaze a path of success...

STUDENT life Oct AND

HUMANITIES

Let the Journey begin!... As we began adapting to the new changes, many noticed the approach to learning at PCHS had a new outlook. Peach County High School was transformed into three New Technology Academies. The first of which is Arts and Humanities. Our Academy was designed to inspire greater levels of academic achievement by linking student interest in History, Literature, Math and Science to the many facets of Fine Arts. We realized that creativity is not born its simply awakened as teachers discovered new ways to tap into our strenghths. Although we are divided into three different Academies, students from all three academies have the benefits of Arts and Humanities for such classes as. Art, Band, Chorus, Yearbook, Mass Media and Gym. Divided we learn, United we stand... In Arts and Humanities we step into a world of treativity, so welcome to our life...

OJAN FOOTBAL

The Peach County Trojans found themselves confronted with many tough competitors. The start of the season began with the Trojans dominating the region as they took it by storm. The end of the season set up one of the most anticipated match ups in South Ga., the Peach County Trojans vs. the Baldwin Braves; with standing room only PC dominated the game with a final score of 35-15. This win would bring the Trojans to back to back Region titles in both 2009 and 2010. The Trojans made an excellent run deep into the playoffs with a first round match up with Stockbridge, leading the Trojans to a 49-0 victory. The following game was the same script with different characters, as PC pulled off a 33-0 victory vs. Thompson. Do not turn the page here....Peach County would prove resilient as they went on the road to play the Grady Grey Knights for a Class AAA Quarter-final match up. A stunning come from behind win (42-35) would pit the Trojans against a tough competitor in the Sandy Creek Patriots. New to Class AAA. the defending AAAA Champions proved a little too much for the defending AAA Champion Trojans as the game slipped away late in the fourth quarter. Overall the Trojans had a successful year with a history making 28 game win streak under their belt. Coach Campbell congratulated the Trojans, as he reflected on the 2010 season:

"The 2010 football season was a good one. We came up just a couple of games short of our goal, and that being a State Championship. On the other hand, we had some of guys play at an unthinkable level. Every year our goal is to win championships, both Region and State; but, in actuality, it does not happen every year. The Coaches and I are very proud of our guys on the year they had, and we hope that the Seniors that are leaving have learned a lot of football and a lot of life lessons they will encounter in the future. We will go back to work and hopefully have another successful year next year."

This is one year that the football world definitely felt our presence!

HOMECOMING TWENTY '10

GOLD RUSH....

The 2010 Homecoming theme was "Gold Rush". Highlighting the gold elements of our school colors, the mighty black and gold Trojans kicked off the week with Tuesday's attack of the nerds and "Nerd Day". We welcomed Wednesday as the Senior girls got "down and dirty" on the football field in our annual Powder Puff football game. We had a day of fun with our "Safari/Camouflage" themed "Wild Wednesday".

The first annual "PCHS Family Gathering" kicked off the theme for Thursday's "Rep Your Class Day". Students across all three academies were able to deviate from their regular lunch schedule and enjoy music and lunch together in the courtyard. Representing one's class was easy, being that the students sported color themed shirts for each class: Seniors were bright orange "Sentence Complete"; Juniors were a sapphire blue "You wish you were One Two"; Sophomores were saftety yellow "Working our Way Up!" and Freshmen were kelly green "Oh So Fresh at PCHS!"

Friday was filled with anticipation as students awaited our football game vs. West Laurensng and the crowning of our Homecominc King and Queen. The Mighty Trojans did not disappoint as they blasted the Raiders off the field with a final score of 56.0. Queen and King Crystal Howard and Juan Cervantes took their place in history as they were crowned for Homecoming 2010. We survived another Homecoming week at PCHS thanks to the Yearbook staff. Job well done!

Come one come all...We welcome you with open arms. Peach County High School has such a deep tradition that it is not distinct to one group of people...it is a universal feeling that comes across you when you go to your first football game, when you meet your favorite teacher, when you shake your Principal's hand for the first time, or maybe when that future special someone points you in the right direction to your first class. Its a feeling so remarkable that it becomes you and makes you want to become a part of the "hype". The hupe we speak of is that "Trojan Hype"... You are a Trojan now, forever, and always...wherever you go, you make a mark, you leave a footprint... win, lose or draw...the impression you make lasts forever!

WINTER ... WISHES

FASHION

Winter brings freedom from Fall and anticipation of Spring. We celebrate the end of the semester and the end of another calendar year. What does the next year hold for us? We sit and wonder if our wishes will indeed come true. We know our environment. Although cold outside, we warming up to our teachers and they to us. They know who we are and we know what we have to do. We now lay our plans for the future and watch in Winter wonderment as work pays off. We are Trojans and we have a sense of durability that allows us to outlast our competitors. We do not think about it, we do it. We do not talk about it, we make it happen. We only play. perform... We are the Mighty Trojans!

Play Like A Trojan!

Even though the Trojan Varsity Basketball team went without seniors, the boys proved that they have real talent. The Trojans had an arsenal of youthful talent led by Freshman, Ahmed Hill. coaches were anticipating a tough season, but they knew the team worked well together. The team's first priority for the 2010-2011 basketball season was to put forth effort and pride, and to be dedicated with no excuses. Because of their dedication and goals for the season, the Trojans went on to make a run in the GHSA AAA Basketball playoffs.

SPRICE SPIRIT

We've got spirit yes we do...We've got spirit how bout you? Most would think a Peach County sporting event would bring out the beast of the Trojan, but the true Trojan spirit evolves with mother nature herself as the seasons change and the nearing of years end brings out the true "Spirit of the Trojan". We now jump into our spring wardrobe and jump on the spring sports bandwagon and ride the victory train all the way to year's end. We celebrate the many accolades of the Trojans, both athletic and academic; but, success comes in many colors, spring colors that is. If you measure success in terms of spirit, we can say, "We got more!!!"

SUCCESS...

In the STEM Academy, there are many things to do. These students know how to take a break from all the work and enjoy the new things available them. From with working friends on projects to exploring the web for new information, there is never a dull moment in the STEM Academy.

TROJAN PRIDE

SUMMER SILHOUETTES...

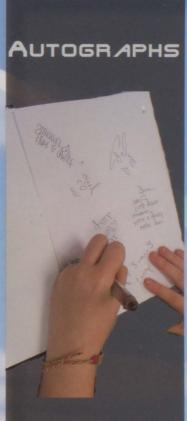

We are gently fading into the summer as we prepare for the end of another school year. The final preparations for college are just around the corner and we begin to reflect on what used to be. Emotions begin to evade our every thought for it is the end of year for some and the end of a journey for others. We are grateful to all who have helped us make this remarkable journey and we are excited as we embark on yet another adventure. We leave behind not only our PCHS friends, but our PCHS family. We are prepared for that final step; with our heads held high and our feet firmly planted we are justly prepared to step into this thing we call LIFE!

Our PCHS Family

Three Academies. One Force ... Trojan Pride!

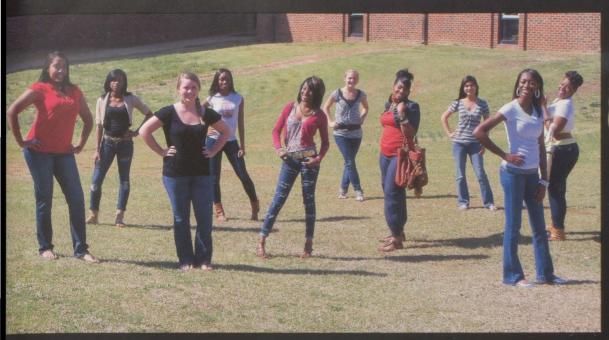

STEM. Arts and Humanities, and Human Services. We appear as three, but we stand as one. From cheering on the football team in the playoffs to hanging out with friends in the hallways or between classes, we combine into a great force of school Students pride. different academies are the best friends we've had all our lives. While we may not see them in the same classrooms, we still see them as a part of our family. Standing proud and tall as a Trojan, we are one. The New Tech Academies have caused us to grow not only in academics, but also in pride. Although we are separated into academies to study our similiar interests, as a whole we have not drifted apart, but instead we have grown together created a greater sense of diversity for Peach County High School.
